Q: How to set the taskbar always on top?

Applies to:

Platform	***OS version***	***WinPAC/ViewPAC utility version***
XPAC series	*All versions (WinCE6)*	*All versions*

Depending on your preferences, you may want to set the taskbar to be always on top, that is, the taskbar is not shielded by other windows. To set the taskbar to be always on top, perform the following steps:

Step 1: Set the taskbar on top.

1.1. Start the XPAC Utility on the desktop, and then click the “System Setting” button.
