How to find the system information

Applies to:

Platform	*OS Version*	*PAC Utility Version*
WinPAC	*All Versions*	*All Versions*
ViewPAC	*All Versions*	*All Versions*

To find the system information, perform the following steps:

Step 1: Start the PAC Utility on the desktop, and then click on the "**System Information**" tag.

The system information such as serial number, OS version and other driver version information are useful for duplicate system or troubleshooting.
