How to install WinPAC SDK for Visual Studio 2005/2008 on Windows Vista and Windows 7

Applies to:

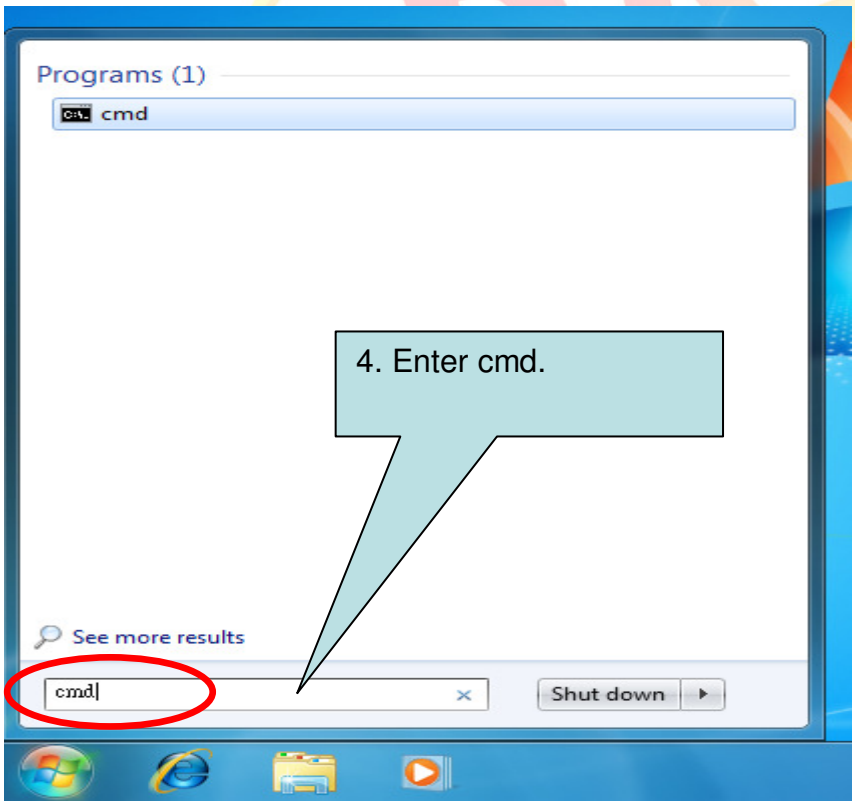

Platform	*OS Version*	*PAC Utility Version*
WinPAC	*All Versions*	*All Versions*
ViewPAC	*All Versions*	*All Versions*

You must install the WinPAC SDK before you can develop WinPAC programs for EVC or Visual Studio 2005/2008. The WinPAC SDK is a Software Development Kit (SDK) that contains C header files, C libraries and other documents.

To install the WinPAC SDK for Visual Studio 2005/2008 on a Windows Vista/Windows 7 PC, you need to have Administrator privileges. To install the WinPAC SDK, perform the following steps:

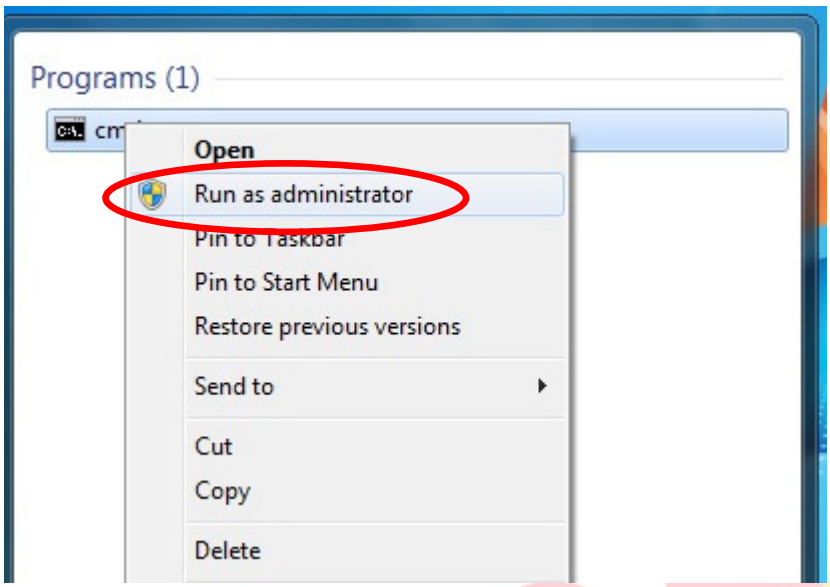

Step 1: Insert the CD into your CD-ROM drive

Step 2: Click the “Start->Search” menu option, and then enter “cmd” in the textbox.
