How to recover your system and select the language?

Applies to:

platform	*OS version*	*PAC Utility version*
XP-9000-IoT/AXP-9000-IoT	*Windows 10 IoT*	*All versions*

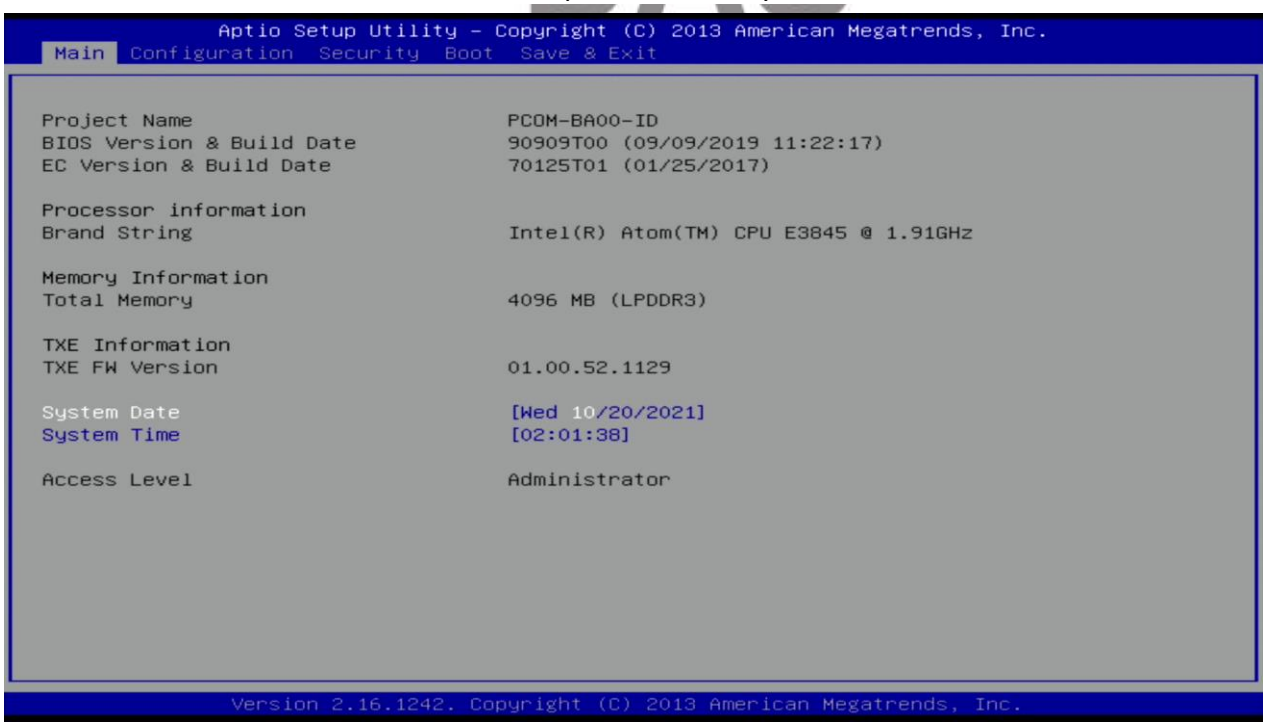

If a major system error occurs, you can recover your system.

Step 1: Place the CF card/CF card into the CF card/CF card slot

Put the CF card/CFast card with the restored data installed into the CF card/CFast-card slot.

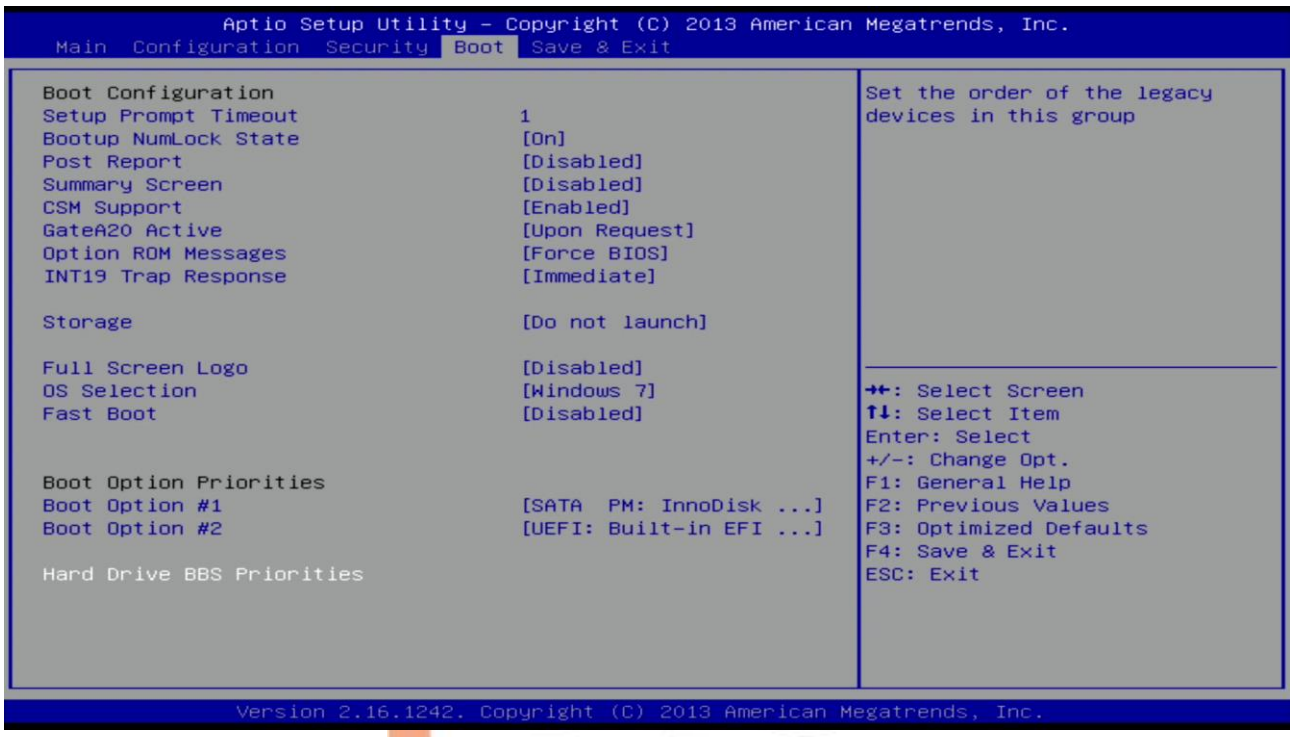

Step 2: Enter the BIOS to modify the boot sequence and restart to execute the restore tool

2.1 Restart XP-9000-IoT/AXP-9000-IoT and press delete key to enter BIOS.
